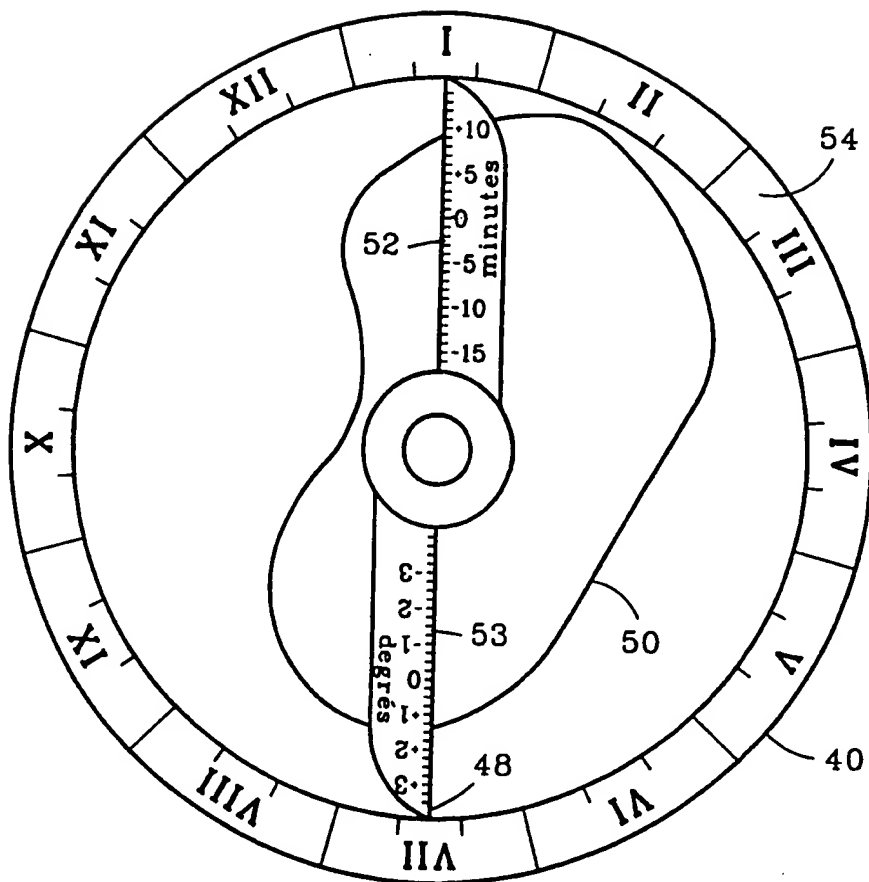

Fig. 4

Fig. 5 is a perspective view of a rectangular structure, possibly a container or a component of a machine. The structure is shown in a perspective view, with a top surface 62 and a bottom surface 64. The front face is labeled 60. The structure is divided into a series of triangular sections by dashed lines 74 and 76. A solid line 66 runs along the top edge, and a solid line 68 runs along the bottom edge. A dashed line 70 is shown on the left side, and a dashed line 72 is shown on the right side. A dashed line 78 is shown on the right side, and a dashed line 80 is shown on the right side. A dashed line 79 is shown on the right side. A dashed line 82 is shown on the right side. A dashed line 81 is shown on the right side.
